

DSI Plus™ & Clear Reflections Plus™

Add beauty, depth of clarity and luster to fixtures, glass, and all smooth surfaces

DSI Plus™

- ★ Removes water and tarnish spots
- ★ Cuts through calcium deposits
- ★ Removes previous residues
- ★ Prevents future buildup
- ★ Reduces cleaning time by up to 50%
- ★ Bio-degradable and non-toxic

Saves you the time and money spent on other products that may clean but do not protect.

Once cleaned with DSI, seal the surface with Clear Reflections Plus - our tough organic carnauba wax that prevents contaminants and residue from bonding to the treated surface.

DSI and Clear Reflections make future cleaning quick and easy - just use plain water and a buffing cloth.

Restoring a non-skid surface like this is...

...**NO PROBLEM** with DSI Plus on your side!

Tarnished steel fixtures and sinks are brought back to mint condition with DSI and a little TLC.
